BEYOND THE LYCHGATE PROJECT

GIFT DAY

SUNDAY SEPTEMBER 28TH 2014

On Wednesday 16th July we received the wonderful news that we have been given planning consent for the Church Centre and car park development.

The planners have not asked for any major changes to our plans or put any unexpected conditions upon them. This is very much an answer to prayer and we're grateful to our architect and the team who have worked hard to get to this stage.

Once developed the new Centre will give us extra space for our growing Sunday ministry, a much better window to our local community and an opportunity to further develop ministries to reach, resource and support Cogges and the wider Parish.

As outlined in our previous leaflet Phase 1 of the project is the purchase of the Old School House. We would like to be in a position to purchase the house later in the autumn so that we can then focus our external fundraising on raising the monies required to develop the Church Centre.

Members of the PCC have already individually committed £80,000 to the project and we now need a further £540,000 to complete the building project.

We are asking those who are committed to Cogges to prayerfully consider how they can support this phase of our growth. This most obviously takes the form of financial support, although there may be other ways in which you can help. We would really appreciate getting an idea of the level of commitment to this project. If you would like to be part of this please bring your pledge form with you on **Sunday 28th September** when we will be collecting people's pledges.
